One of the biggest events organized by SL was the PC-axis conference, from 30 September to 2 October 2009, with more than 60 IT specialists from all over the world who gathered to learn about PC-axis soft ware for statistical data.

In the framework of MEDSTAT II best representative of SL had a unique opportunity to participate in the International conference "Palestinian Statistical System: future and challenges", 20-24 June 2009, in Ramallah, Palestine.

In 2009 SL received two international awards. It was pleasantly surprising and is considered as a high recognition on the international level:

2009 European Enterprise Awards Ceremony and Conference "The small business act for Europe: Business without Barriers", 13-14 May, 2009, Prague, Czech Republic
European Public Sector Award 2009,

Symposium and Ceremony, 4-6 November, 2009, Maastricht, Netherlands

In 2009 SL hosted more international events than ever in its premises and outside the office. Two great high level visits were organized by European affairs and International co-operation division, conference on the usage and support of PC-axis software, a course of Statistical Data Disclosure Control and many other meetings.
